~ ~ Welcome to the Hotel Strasburg ~ ~

The Hotel Strasburg, originally built as a private hospital in 1902, became well-known for lodging and dining in the Shenandoah Valley in the early Twentieth Century. Restored to Victorian elegance in 1987, its guest register reflects a truly cosmopolitan parade of visitors from across the nation and around the world.

Keeping with local hospitality, the Rutherfords, owners of the Hotel since the early 1990s, keep the unoccupied hotel rooms open for patrons who are curious to view the furnishings and appointments.

We are devoted to being an exemplary host. We expect our freshly-prepared food to be served with the courtesy and attention that you, our honored guests, deserve. Any suggestions that you believe will help us hold to that high standard will be greatly appreciated and gratefully accepted.

We thank you for your patronage and we hope you will visit with us again soon.
